

Risk Warning

High Risk Investment

Trading foreign exchange on margin, Contract for Difference, Stocks and Futures carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to trade foreign exchange, CFD, Stock or Futures, you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss in excess of your initial investment. You should be aware of all the risks associated with foreign exchange trading and seek advice from an independent financial advisor if you have any doubts.
